Saturday 25<sup>th</sup> Oct 2014, registration starts at 8:30am.

Could you please meet your Instructors outside the venue; they will then escort the competitors into the Main hall. Spectators should pay and enter through the spectators door.

### Location

The competition is being held in the external hall at: Sports Connexion, Leamington Road, Ryton-On-Dunsmore, CV8 3FL

### Equipment & Dress code

All students are recommended to travel in casual clothes, please wear any club or GTUK merchandise if you have it. There are facilities there for all students to change into their Doboks when they arrive. Please don't forget your belt! All boys are required to wear groin guards, and we suggest that any long hair is tied up and pulled back off the students face. If you have your own sparring gear please ensure you have it with you. Any jewellery should be removed, or covered with plasters if it really cannot be taken out; please be advised though any jewellery worn is completely at your own risk.

### Format of the day

Students will register as a club, and will be taken through to the main hall, where they can rejoin their parents/guardians, we would recommend they then get changed and then use any spare time to warm up and practice. Grand Master Oldham and the senior grades will open the tournament at approx. 9:30. There will be a holding area where all competitors will remain until their category is ready to commence. Students will be called and will bow to the judges. In the patterns category they will be asked which pattern they will be doing, and they will then perform that pattern against their opponent, judges will signal which competitor is successful at the end. This will continue through to the final. Similarly for sparring, students will be called up, and will bow in and then students will compete to see who achieves the most points during the time.

Medals will be presented during a number of ceremonies throughout the day.

Any questions or issues should be raised to your own clubs Instructors, whom if necessary can escalate to a Senior Instructor.

### Tag Team Event

The Black Belt tag team event will take place as a demonstration event. The event will consist of a 4 minute sparring point stop session where the team members can tag in and out of the bout, after a point has been scored or the sparring has been stopped for any other reason. Teams can register on the day at the registration desk at a cost of £15 per team; teams should be made up from members of your own clubs, and Jeegoo where possible.

### Photographs/Video

Any parents wishing to take photographs or video need to sign a form when they arrive into the building, you will ordinarily be issued with a sticker to show this has been completed. There will also be a 3<sup>rd</sup> party professional photographer onsite, who will be taking photographs during the day. If students' photos are taken you can purchase these to take away on the day.

### Food/drinks

We recommend that you take a pack up with you and some entertainment for young children. There is however a cafeteria which sells hot and cold drinks, crisps, bacon and sausage sandwiches for you during the day should you need it.
